

**2023 ABOMP Primary Exam Days 1 & 2 Schedules**  
**Pearson-VUE Professional Centers**  
**September 20-21, 2023**

- Breaks include: one 60-minute lunch break; breaks are optional.
- You are not required to take breaks, or you may return early from a break, so your exam day can be shorter than the allotted time.
- If you decide to take the break, raise your hand and the proctor will log you out of the exam. You MUST LEAVE your testing station during all breaks; breaks cannot be taken at the testing station.
- If you need to take an unscheduled break while in the middle of a section, raise your hand and the proctor will lock your computer. Your exam timer will continue to countdown during an unscheduled break.
- You are not permitted to look at notes, textbooks, or your cell phone during unscheduled breaks. Doing so may jeopardize your participation in the remainder of the exam.
- At the completion of your break, you will be accompanied back to your testing station and the proctor will log you in to continue your exam.
- If you return late from the 60-minute lunch break, the excess time will be subtracted from the next section's allotted time.
